Headshot upload: Upload a high-quality professional headshot.

Nomination Questions

Why are you a strong fit for the Industry Impact Award? Please describe your role in supporting the growth, education, awareness or advancement of Australia's digital economy, including the audience, community or sector your work has supported. (200 words max)

What have you led, created or materially contributed during the awards period? Please include relevant achievements such as education initiatives, podcasts, events, community programs, advocacy, media engagement, public outreach, reports, publications, mentoring, industry collaboration, policy engagement, campaigns, workshops or other major contributions. (300 words max)

What impact has your work had on industry understanding, participation, community or Australia's digital economy? Please summarise the outcomes your work has helped deliver. This may include audience growth, community engagement, education outcomes, industry participation, improved awareness, policy influence, stakeholder collaboration, public trust, media reach, mentorship outcomes, ecosystem development or other measurable results. (300 words max)

How have you demonstrated excellence, leadership and future potential in advancing Australia's digital economy? Please describe what makes your contribution distinctive, including your leadership approach, credibility, influence, consistency, collaboration, communication style, trust-building, industry reputation, values, future plans or ongoing contribution to the sector. (200 words max)
