## PROFESSIONAL SERVICES EXCELLENCE AWARD

Recognising excellence in legal, accounting, consulting, audit, insurance, advisory and professional services supporting Australia's digital economy.

### Eligibility requirement

To be eligible, the nominated business must either be based in **Australia** or have a clear **Australian presence, operation, customer base, partnership or market activity.**

### Uploads

**Business profile:** Please provide a short overview of your business.

**Supporting material:** Upload or link to any supporting material relevant to this nomination.

**Logo upload:** Upload your organisation logo in the highest quality available.

### Nomination Questions

**Why is your business a strong fit for the Professional Services Excellence Award?** Please describe the professional services your business provides, the clients or sectors you support and how your work contributes to Australia's digital economy. (200 words max)

**What has your business achieved or delivered for clients during the awards period?** Please include relevant client work, advisory engagements, strategic advice, market entry support, governance work, policy engagement, dispute resolution, risk frameworks or other professional services outcomes. Client examples may be de-identified where confidentiality applies. (300 words max)

**What measurable impact has your business had, and what evidence supports this nomination?** Please summarise the outcomes your business has delivered. This may include client outcomes, business growth, regulatory readiness, risk reduction, customer protection, capital formation, operational improvement, industry capability, thought leadership, policy contribution or other relevant results. (300 words max)

**How has your business demonstrated innovation, leadership, trust and future potential in professional services?** Please describe any specialist expertise, innovative service models, multidisciplinary capability, technology use, education, industry engagement, regulatory contribution, reputation, ethical leadership or future plans that strengthen professional services support for Australia's digital economy. (200 words max)
